

## NCA/JDF GBV PROJECT SEPTEMBER REPORT

DATE (When)	1st - 30TH SEPTEMBER 2018
LOCATION (Where)	MMC ( Wulari and Bolori) KONDUGA (Ngomari Kere kere)
ORGANISATIONS (Who)	NCA/JDF
SUMMARY (What)	<p>The activities for the month of September are as follows:</p> <p>A VSLA group has been established in Ngomari community of Konduga. The name of the group is Adalci. Meeting day is Wednesday by 10am, saving is #100, social fund is #20.</p> <p>The women of Cigaba VSLA group of Bolori community in MMC have started accessing loans. 8 women collected loans 3 have returned, 5 women are to return. Three survivors were identified and referred to EYN for case management services.</p> <p>JDF in partnership with NCA and EYN organized a training on basic GBV concepts for community heads and religious leaders from 4 communities (Bolori, Wulari, Yawuri and Ngomari Kere kere) comprising of 30 participants. Action plans were developed by the participants as part of their take home.</p> <p>The skill acquisition has commenced at the safe spaces, the women and girls have started learning tailoring and beads making with the remaining skills to follow suit. Two sewing machines have be bought and moved to the safe spaces.</p>

### CONCLUSION:

The month of September has been very productive; the project is going smoothly as we expect the subsequent months to be very successful and productive.
